PHYSICAL AND CHEMICAL PROPERTIES

Parameters	Value
Form/Physical state	Liquid
Odor	Odorless
pH	12.434+/-1.487
Flammability properties	Non-flammable
Explosive properties	Not explosive
Oxidizing Properties	Not oxidizer
Water Solubility	Soluble

STORAGE CONDITIONS

Store in a cool, dry place at room temperature.

The storage area should be regularly cleaned and well-ventilated.

The product is available in various packaging types.

Shelf life: 2 years under normal storage conditions.

OTHER INFORMATION

Use on partially dyed textile products is not recommended.

Direct application on artificial leather is not advised.

For detailed information regarding classification, transport, storage, and handling, please refer to the Safety Data Sheet (SDS).

RECOMMENDATIONS FOR USE

For stubborn stains, best results are obtained by pre-heating the surface or stained area with hot water.

APP ACTIVATED PRO PRODUCT ELITE COLLECTION TECHNICAL DATA SHEET

It is recommended to use Microfiber Cloth and for heavy-duty applications, a Metal Wire Cloth may also be used.

If you are uncertain about the surface material, it is recommended to first test the product on a small, inconspicuous area.

For more detailed surfaces, you can visit ai.appthecleaner.com and analyze the surface with artificial intelligence.
